* July through December only. No figures are available for the first six weeks (May 15 to June 30) after the founding of the State. [Footnote in the source text.]

† January and February only. [Footnote in the source text.]

No. 454

Editorial Note

In a note of July 1, the Embassy in Israel informed the Israeli Government that the latter had been declared eligible to receive reimbursable military assistance under section 408(e) of the Mutual Defense Assistance Act of 1949, as amended, provided the necessary assurances required by the Act were forthcoming. In a note of July 23, the Israeli Government gave the necessary assurances, and the agreement entered into force on July 23. For text of the notes exchanged, see 3 UST (pt. 4) 4985.
